

Wisconsin WIC Association

Building Bridges to Strengthen Families and Communities

November 1st, 2018

The last year has been successful and we are excited that we have had an active Wisconsin WIC Association in 2018!

2018 WWA activities included:

- Scholarships were offered to attend the 2018 National WIC Association Leadership Conference.
- Seven WWA members represented WI at the NWA Leadership Conference.
- Practiced advocacy during WIC Advocacy Week in 2018.
- Provided Monthly Advocacy Action Alerts to challenge members to branch out in their advocacy efforts.
- Shared quarterly newsletter on the WWA webpage and in the WIC FMRs.
- Connected with local Wisconsin WIC Projects via the [WWA Facebook Page](#) and [website](#).
- Held a Silent Auction to raise funds for WWA.
- Conducted our annual business meeting at the 2018 State WIC Conference.
- Welcomed 4 new WWA board members in October 2018.

It is time to renew your WWA membership!

A project membership includes all WIC employees in your agency. WWA was built and is led by local WIC projects. The overall goal is to support local projects and the participants we serve! Additional WWA member benefits are listed on the 2018 Membership Form.

Payment can be mailed or submitted online.

To pay online: access the WWA website: <http://wiwica.org>

- ✓ Go to membership tab
- ✓ Locate your project's caseload which will determine the amount of your project's dues
- ✓ Choose "Buy Now" and you will be linked to PayPal for payment.

Checks can be made payable to the "Wisconsin WIC Association" and can be submitted along with the Membership Form to the address listed below (if your membership form was submitted at a Regional Meeting then just provide payment for the invoice you receive).

Lastly, I am happy to announce that WWA will again offer a \$100 incentive to the region with the highest percentage of project membership in WWA by March 31st, 2019.

Sincerely,

Kara Kerrigan, RD, CD, CLC
WWA Chairperson 2019
