What is WWA?

The mission of the Wisconsin WIC Association is to inspire and empower the Wisconsin WIC community to advocate for and promote quality nutrition services and assure effectiveness through collaboration, cooperation and education.

WHY TELL STORIES?

Storytelling is one of the most powerful tools we can use to convince others of the value of a cause. Your story is the "why" of WIC. Each of us has a compelling story to tell that can move others.

Please share your personal or client WIC Stories with your regional rep or kara.kerrigan@fdlco.wi.gov so that your WIC voice can be heard.
